Grades K-3: EC1, EC2, EC3, EC4

Grades 4-5: EC9, EC10

Explore More! Students:

- Draw a map of outdoor jobs in your area
- List outdoor jobs that show the exchange of goods and services.
- Draw your favorite outside job.
- Draw an outside job that is far away from where you live.
- Draw or name 6 tools used in outdoor jobs.
- Draw something you can do outdoors to help out at home, school, or as a volunteer.

Professionals and/or Parents:

-Invite/ or volunteer as a guest speaker in the class that works in an outdoor job such as :

Life guard
Landscape
Swim Instructor
Coach
Park Ranger
Construction Worker
Surveyor
Farmer

- Take a field trip to identify outside jobs.
- Visit a florist, greenhouse, market, waterfront, dock, construction site, etc.

-Set up a sand box for creative play with construction vehicles. Provide shovels , rocks, water, and measuring cups . Create the roads in tubs of sand.

-Create centers to plant flowers, or landscape school grounds.

-Set up a water table with a dishpan of water, play boats, rocks, ping pong ball, and other items that float or sink. Talk about why things float and why others sink.

-Read books about construction, flowers, plants, trees, orchards, beaches, oceans, and more. Ask student to identify the jobs you may see in the book.

-
